We encourage all students participating in Promote the Vote to express their creativity by designing artwork depicting pride in their State, civic responsibility and voter participation. This year's Art Contests draw inspiration from the State of Mississippi and what we love about our state while we focus on the 2016 Presidential Election.

In each contest, first, second, and third place winners will be announced for each age group category, as well as any contestants the judges find deserving of Honorable Mention.

Suggested media for drawings are colored pencils, colors, watercolors, and poster paints. We discourage pastels or charcoal because these are fragile applications and may be harmed in the mailing/judging process. Art must be submitted on sturdy 11" x 17" art paper (maximum size). Our intent is to preserve the integrity of the student's artwork. Please secure the entry form to the back of each entry. Please title or describe each entry on the entry form and check the appropriate contest for each entry.

The Promote the Vote Art Contest is open to all Mississippi students in Kindergarten through Grade 12.
